Dear Mr. Dulles:

It is indeed encouraging that you are a leader in the united co-operation of both major parties concerning the current Berlin and German events.

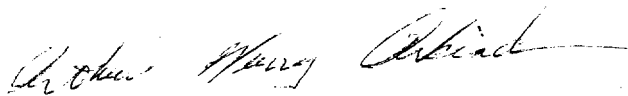

Regardless of party affiliations we are all Americans who are proud of our heritage and we are one in defending the priceless principles of Democracy.

I wish you the health and strength to continue your valuable services to the American people and to the world, and I wish you the happiness of success.

Sir, any person who serves our country like you do is indeed a wonderful guy.

Best regards.
